Reregistering each family will allow us to gather all update information including emails, cell phones and any other pertinent details for accurate communication.

Registration and payments can be mailed or dropped off at the rectory. Our fees can be found at the bottom of the registration form. No child will be assigned to a class unless we have received payment. Please know that if you need any assistance with your tuition please contact us and we can work out any payment plan that will help you. You may also use the Parish On-Line Giving Program. Please log into the St. Christine's web site. (www.saintchristines.org), click on On-Line Giving and follow the instructions to set up your account.

We look forward to the coming year and to share in your family's faith journey with you.
